## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, 2, 4, 5, 10, 11, 13, and 14 are allowed.
2. The following is an examiner's statement of reasons for allowance: The invention as now claimed is not disclosed nor rendered obvious in view of the prior art of record. As to independent claims 1 and 10, the prior art of record fails to teach or suggest, alone or in combination, the recited method and switch in which a call received on a first network is forwarded to a second network, and when another call is received, checking for other loop indicia corresponding to that call, then comparing the other loop indicia corresponding to the other call with the loop indicia added to the call and the second identification data with the first identification data. No prior art was found that discloses or teaches the limitations of claims 1 and 10.
3. Claims 2, 4, 5, 11, 13, and 14 are dependent upon claims 1 and 10, respectively, therefore, claims 2, 4, 5, 11, 13, and 14 are allowed.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
